

Parenting your Child with ADHD

Group for parents and carers of children
aged 5-12 years who have a clinical
diagnosis of ADHD

**Brandon
Centre**

Here for Young People

For parents and carers of children with ADHD aged 5-12 years

For parents and carers of children with a diagnosis of Attention Deficit Hyperactivity Disorder (ADHD) aged 5-12 years. This is a 6-week group programme that meets for 1.5-2 hours a week. The group is facilitated by a qualified mental health professional with experience in supporting parents and carers. The group is run several times a year either online or face to face.

The group builds on what parents are doing well and teaches parents and carers skills and strategies to improve and manage difficult behaviour in children in this age group. It also incorporates the **123 Magic™** approaches, which complement and enhance the programme. The sessions cover the following areas:

- Providing information on Attention Deficit Hyperactivity Disorder
- Setting household rules
- Developing and implementing schedules and routines
- Realistic expectations
- Giving clear and calm instructions
- Rewards and praise
- Staying positive and looking after yourself
- The 123 Magic™ approach to effective discipline.

What people say about our ADHD programme:

**“Thank you thoroughly
enjoyed the sessions.”**

**“Good facilitation with
some good advice in
response to real questions.”**

“It worked well - thank you!”
